

Truck-N-Trailer Warranty Program

Answering your questions:

What is the deductible? For most plans, your deductible is \$300

Where do I take my truck for repair? TruNorth works with any licensed or certified repair facility. Furthermore, there are no labor caps on what we will pay per hour for repairs.

Is towing covered? TruNorth does have Towing Reimbursement

Can I come back later for a warranty? Sorry, but the TruNorth services are only available at time of vehicle purchase. *Payment arrangements are available.

Is the coverage really for unlimited miles? Yes, within the terms of most warranty plans, TruNorth will cover your vehicle for an unlimited amount of miles

Is there an age limit for my vehicle? Terms and rates vary, but TruNorth will warranty medium duty vehicles that are 20 years old or newer

Does TruNorth have customer service? Yes. In fact, after the warranty purchase, a TruNorth representative will call you and review your warranty coverage in detail to ensure that you fully understand your policy.

What if my vehicle is currently under factory warranty? Encompass Coverage: Allows you to purchase the TruNorth Warranty for a vehicle that is currently under factory warranty. Your TruNorth Warranty coverage will begin at the expiration of OEM Coverage

I can't afford the warranty right now. Are there payment plans available? Yes, with only \$600 down, the remainder of the warranty cost can be spread out over 4 monthly payments.
